## Innov-X Systems US Sales Terms & Conditions

1. **PRODUCTS AND SERVICES** - These terms and conditions govern the sale of all products ("Products") and/or services ("Services") by Innov-X Systems, Inc. ("Seller") and apply notwithstanding any conflicting, contrary or additional terms and conditions in any purchase order or other document or communication ("Purchase Order") from buyer. Upon Seller's acceptance of buyer's order, a firm contract for the purchase and sale of the Products and/or Services will be formed between Seller and Buyer and shall incorporate all the terms set forth herein. These terms and conditions may only be waived or modified in a written agreement signed by an authorized representative of Seller. Neither Seller's acknowledgment of a Purchase Order nor Seller's failure to object to conflicting, contrary or additional terms and conditions in a Purchase Order shall be deemed an acceptance of such terms and conditions or a waiver of the provisions hereof.

2. **RESERVATION OF RIGHTS** - Innov-X Systems reserves the right to change at any time without notice these terms and conditions of sale.

3. **PAYMENT** - Buyer shall pay Innov-X Systems the price(s) stated in the quotation; shipping and transportation charges, and applicable taxes, if any, are additional unless otherwise specified in the proposal or quotation. If credit is granted for invoice payments against a 30-day quotation, payment terms are net thirty (30) days from date of invoice, subject to approval of Buyer's credit. A service charge of two (2%) per month (24% per annum) or portion thereof, or the maximum rate allowed by law, whichever is less, will be made on past due accounts. If Buyer fails to pay any invoice when due, or if Seller believes in good faith that Buyer's ability to make payments may be impaired, Seller may suspend delivery of any order or remaining instalment thereof until such payment is made, or may cancel the remaining instalments thereof, and Buyer shall remain liable to pay for any Products or Services already shipped or delivered. Buyer agrees to submit such financial information from time to time as may be reasonably requested by Seller for the establishment and/or continuation of credit terms. Buyer agrees to pay any and all legal fees associated with payment collection.

4. **WARRANTY** - Only the warranties set forth in the Warranty documentation are applicable. SAID WARRANTY SUPERSEDES ALL INCONSISTENT PROVISIONS OF ANY AND ALL PURCHASE ORDERS, INVOICES, ACKNOWLEDGMENTS, OR OTHER WRITINGS OR STATEMENTS, WRITTEN OR OTHERWISE. INNOV-SYSTEMS DISCLAIMS ALL OTHER EXPRESS OR IMPLIED WARRANTIES AND PRODUCT LIABILITY, SPECIFICALLY INCLUDING THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.

5. **LIMITATION OF LIABILITY** - Notwithstanding anything to the contrary, in no event will Innov-X Systems be liable for any indirect, special, incidental, or consequential damages, whether based on contract, tort, or any other legal theory, including, without limitation, loss of data or its use, loss of profits, loss of business, or other economic damages, even if advised of the possibility of such loss or damage.

6. **DELIVERY AND TITLE** - All shipments of Products by Seller are F.O.B. point of origin and all transportation charges shall be paid by Buyer in addition to the price of the Products. Insurance, if desired, shall be responsibility of Buyer. Seller may, at seller's discretion, add insurance to the delivery method and include its costs in shipping costs. Subject to Seller's right of stoppage in transit, delivery of the Products to the carrier shall constitute delivery to Buyer and title and risk of loss shall thereupon pass to Buyer. Selection of the carrier and delivery route shall be made by Seller unless specified by Buyer. Buyer acknowledges that delivery dates provided by Seller are estimates only and that Seller is not liable for failure to deliver on such dates. Delivery of a quantity that varies from the quantity specified shall not relieve Buyer of the obligation to accept delivery and pay for the Products delivered. Delay in delivery of one instalment shall not entitle Buyer to cancel other instalments.

7. **ACCEPTANCE OF PRODUCTS AND PRODUCT RETURNS** - Inspection and acceptance of Products shall be Buyer's responsibility. Buyer is deemed to have accepted the Products unless written notice of rejection is received by Seller within ten (10) days after delivery of the Products. Buyer waives any right to revoke acceptance thereafter. Buyer shall report any discrepancy in shipment quantity or damage within ten (10) days after delivery. No return of Products shall be accepted by Seller without a Return Material Authorization ("RMA") Number, which may be issued by Seller in its sole discretion. Returned Products must be in original manufacturer's shipping cartons complete with all packing materials. All Products for return shall be returned freight prepaid. Products must be packaged appropriately so as not to incur physical damage during return shipping; failure to do so may invalidate both the RMA and the warranty. If returned Products are claimed to be defective, a complete description of the nature of the defect must be included with the returned Products. Products not eligible for return shall be returned to Buyer, freight collect.
